## Is Coaching for You?

I want help to...

- Identify & focus on what's important
- Accelerate my success & be more accountable
- See myself more clearly
- Identify gaps between where I am and where I need and want to be
- Take action to achieve the things truly important to me
- Get clarity of my goals
- Move my career in a new direction
- Plan for retirement
- Focus on my development efforts
- Keep on track and moving forward toward new levels of achievement
- Gain a competitive advantage and get from Point A to B faster than on my own
- Acquire or enhance my leadership skills
- Feel happier by identifying & aligning my values
- Create focus, cut through clutter, clear tolerations
- Increase professional and personal fulfillment
