Visit [WINLZ.com](http://WINLZ.com), or contact our Membership rep for info:  
**Sharon Adilman • sharon@adilnet.com**

- We welcome interested women to attend up to two WIN meetings as a guest. Contact Sharon to find out if we currently have a member in your business category or to join our wait list.
- Are you a woman who is an employee and not a business owner? No problem...you may represent your employer and business even if the business is not woman-owned.
- Please contact us with any questions!

Membership is open to all women whose attendance would be mutually beneficial. We do, however, accept only one member in a related field. A waiting list is available.
